Apple & Apple Crumb - made with a blend of 6 different kinds of apples to give our pies that distinct unique flavor for the ultimate eating pleasure

Pumpkin - using the ingredients the same way "mom" made the pie for you.

Sweet Potato - adding a little southern flair to our northern kitchen.

Blueberry - made with "Wild Blueberries" that were flash frozen to capture that unique flavor

Peach - sliced peaches made in our crust captures the juiciness and full flavor.

Mixed Berry - using strawberries, blueberries, blackberries and red raspberries means you can't go wrong topping off your wonderful dinner with this desert.

Cherry - tart cherries sweetened to give a wonderful holiday feeling.
